Libra International offers a nutritional supplement that aids in supporting a healthy body.

The current Libra International line includes Libratanical™ a unique blend of Botanical Extracts.

THE CHINESE HAVE RECOGNISED THE POWER OF NATURE'S BOUNTY FOR OVER 3,000 YEARS.

Libratanical™ contains nutrients that support a healthy body. These include flavonoids, glycosides, polysaccharides just to name a few.

Libratanical™ is more than the sum of its parts. Many of the 26 herbs and botanicals combine synergistically to produce benefits which are additional to those derived from the individual ingredients. Because Libratanical™ acts as an adaptogen, its effect will be different from one person to the next.

Libratanical™ is safe for nursing mothers as well as children. Libratanical™ has been called by many... Nutritional Insurance since 1997.
